Indonesia Issues New Rules on Cosmetic Claims and Advertising
The head of the Indonesian National Agency of Drugs and Food Control (BPOM) on 28 January 2016 issued BPOM Regulation 1 of 2016 on Technical Guidelines for the Control of Cosmetics Advertising, updating the requirements for advertising and claims for cosmetic products.

Not yet an Ariel WebInsight user?

Ariel WebInsight users receive comprehensive global regulatory data whenever they access their account. But that's just the beginning! Ariel WebInsight is an online chemical regulatory compliance reference tool that puts global chemical and substance compliance information one click away. WebInsight's intuitive web browser interface provides access to accurate, comprehensive, up to date, usable regulatory content.

WebInsight saves EH&S and product stewardship professionals valuable time as it eliminates the need to manually research regulations from multiple sources, scattered across numerous websites and/or published in a variety of formats, instead providing global chemical regulatory content in one central, searchable, user-friendly repository.
